**Subject:** FEMA Alert: Doing Business with FEMA as a Vendor or Contractor

FEMA and their Regional Private Sector Liaisons have requested the All Hazards Consortium to forward out this email to all private sector vendors.

To: Private Sector Vendors

RE: **Doing Business with FEMA**

The Industry Liaison (IL) Program is the portal for all vendors seeking to do business with FEMA. Additionally, small business vendors are routed to the FEMA Small Business Analyst for notification, support and processing.

- [Working with DHS](#) - Links to contracts, grants, small business opportunities, research and development and contacts.
- [Information Technology Products and Services](#) - Share your technology-related products and services information with people in the Information Technology divisions of DHS and its component agencies via this DHS database.
- Debris Removal Contractors - [Register your company info and resource capabilities](#)
- Disaster Response Contractors - register or update your company's resource capabilities at the [Central Contractor Registration \(CCR\)](#). All contractors are required to be registered in the CCR prior to receiving any contract award from DHS-FEMA.
- Listing of Active Contracts ([PDF](#) 92KB, [TXT](#) 59KB) - (As of January 22, 2009)

*FEMA does not endorse any private or non-profit entities, but provides this data on its web site for informational purposes only.*
