

INTER-OFFICE COMMUNICATION

Date October 9, 2018

File 3-ENF

To District/Section Commanders Attention

From Major J. M. Swindell, Commander, Office of Field Operations

Subject Disaster Relief - Hurricane Michael

In response to Hurricane Michael, various utility companies have begun sending utility crews to Florida for disaster relief efforts. Utility vehicles will be traveling from Illinois, Indiana, Kentucky, Michigan, and Ohio. To facilitate timely disaster relief, units should avoid unnecessary delay of utility vehicles destined to Florida's disaster relief efforts. These vehicles should be permitted to bypass our weigh stations beginning immediately until Saturday, October 13, 2018. Please distribute this notice to your appropriate staff.

If you have questions or need additional information, please contact Captain D. R. Allwine in the Office of Field Operations at (614) 752-0555.
