

FOR PPE MANUFACTURERS & SUPPLIERS

A New Innovative PPE App

CONNECTS PPE SUPPLIERS WITH INDUSTRY & GOVERNMENT PPE CUSTOMERS FASTER, SAFER

THE PPE PROBLEM

As demand continues to surge for PPE supplies, marketplace **Transparency & Trust** is now essential in procurement and purchasing decisions. Nationally, PPE Buyers and Suppliers have expressed the need for a safer, more streamlined environment that provides faster access to available, ready to ship PPE supplies from "vetted" manufacturers, distributors & suppliers of PPE masks, gloves, gowns, hand sanitizers, facial masks, and other supplies and services.

A NEW SOLUTION

The **National Vetted PPE Exchange** is a new innovative, trusted mechanism designed by PPE Suppliers and Buyers in industry and government to expedite the location and purchase of PPE supplies faster within the United States.

The **National Vetted PPE Exchange** leverages a trusted national community of 45,000+ stakeholders along with large government and industry partner organizations of the All-Hazards Consortium, many of whom will be seeking PPE supplies.

HOW DOES IT WORK?

This new "uber-like" service leverages technologies and streamlined business processes that connects qualified PPE buyer "requests for quotes" with vetted PPE suppliers in the U.S. within minutes.

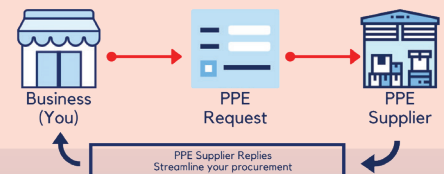

Suppliers are notified of valid PPE requests from verified Buyers in real-time and can respond back with a simplified quote form. Buyers review all quotes, select their supplier(s), and contacts the supplier(s) that best meet their needs.

The service increases security and reduces fraud by vetting all Buyers and Suppliers and providing ongoing monitoring of all transactions.

Perfect for U.S. Based:

- Manufacturers
- Distributors
- Wholesalers
- Vendors

National Vetted PPE Exchange

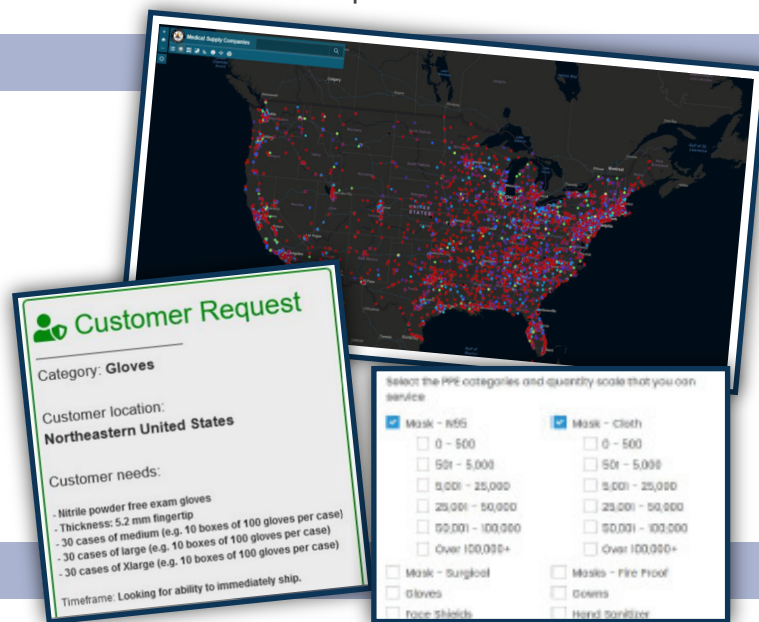

Personal Protection Equipment (PPE) Supplies & Services
Version 2.0

BENEFITS TO SUPPLIERS

- Free to join, no commission taken by the PPE Exchange
- Generate more PPE opportunities
- Works for any size supplier
- Safer, more trusted supplier environment, all Buyers are validated by the PPE Exchange
- All Requests for Quote (RFQs) are validated with a payment from the Buyers... only serious PPE request are submitted
- Buyers contact the supplier(s) directly via phone/email and negotiate agreement(s) for desired PPE and/or other items Supplier(s) offers
- Fast and simple process designed by PPE supplier work-group
- Suppliers can offer any item they sell once contacted by Buyers
- Safer more trusted environment to do business than the open internet and websites
- Registered Suppliers are immediately notified of requests for items they want to provide and submit their quotes via simple form
- Completed Buyer requests closed automatically, Suppliers notified of closure, so they don't waste their time on closed requests

STREAMLINED BUSINESS PROCESS

- Validated Buyers submit their PPE requests
- Suppliers are immediately notified of requests and submit their quotes
- Buyers view all quotes and select Suppliers they want
- Buyers contact the supplier(s) directly via phone/email and negotiate agreement(s) for desired PPE and/or other items Supplier(s) offers
- Completed Buyer requests closed automatically, Suppliers notified of closure, so they don't waste their time on closed requests

ABOUT US

All Hazards Consortium, a 15-year-old 501(c)(3) organization that serves a network of 45,000+ industry and government stakeholders across the U.S. by solving complex problems.

"This service could be a game changer for us."

~ S.A Barret, Health Sector

TESTIMONIALS

"Having a safer trusted environment to do business saves us time and allows us to avoid scams that all suppliers of PPE are facing."

~ R. Black, PPE Supplier

"This type of service approach will expedite sourcing of almost anything in the future in a faster, safer way."

~ M. Zappone, Energy Sector

"The cost for this service is a no-brainer when compared to the time most organizations will spend to find competitive quotes this fast."

~ S.A Barret, Health Sector
