### Virginia Emergency Support Team

The mission of the Virginia Emergency Support Team (VEST) is to collaboratively respond to disasters and emergencies faced in the Commonwealth in an effort to best support all local, state, tribal, and territorial governments protect the lives and property of the citizens of Virginia.

- 300+ Trained Members 100+ State Agencies, Non-profit entities, and private sector partners
- Operationalize the Commonwealth of Virginia Emergency Operations Plan (COVEOP)
- Coordinate and support overall activities related to disaster response and recovery in support of local governments.
- Core management & administrative functions
- Information sharing upward (State Leadership), laterally (State Agencies/Local Governments) & downward (individual citizen).
- Bi-monthly Training and Exercise
- VESTEX & VOPEX

#### Overview

On Friday, September 22, 2023, the Commonwealth geared up for the impending impacts of Tropical Storm Ophelia. At 6:20 am on September 23, 2023, Tropical Storm Ophelia made landfall in Emerald Isle, NC, bringing wind gust speeds up to 45 to 50 mph and delivering 3 to 6 inches of rain. Moderate to Major tidal flooding is expected to occur the morning of September 23, 2023 and forecasted with high tides in the afternoon. Inundation of up to 2 to 4 feet above ground level is possible. There is an elevated risk of tornadoes in southeast VA/northeast NC, spreading further north into eastern VA and southeast MD by the afternoon.

#### State Actions

- Governor Youngkin declared a State of Emergency on September 22, 2023 at 1:30 pm.
- Virginia Emergency Support Team (VEST) transitioned to Red (Full Activation) on September 22, 2023 at 7:00 pm.
- Region 5 RCC activated.
- VA National Guard Multi-Function Strike Teams 1 in Hampton City and 1 in Suffolk City
- Swift Water Rescue Teams

### **VEST Situation Report**

#### Virginia Emergency Support Team (VEST)

Situation Report # 2 2023-09 Severe Weather September 23, 2023 as of 8:00 PM

#### Summary

The Virginia Emergency Support Team (VEST) is preparing for the impacts of Tropical Storm Ophelia to the Commonwealth. On Friday, September 22, 2023, at 1:30 PM, Governor Yonnkin declared a State of Emergency for the Commonwealth of Virginia due to the projected severe flooding and tropical storm impacts. At 6:20 AM on September 23, 2023, Tropical Storm Ophelia seached the shores of Emergency North Carolina. As of 5:00 PM, the storm's position war approximately 50 on links south of Richmond, slightly to the northeast of Emporia, with a northward movement at a rate of 12 mph. Its intensity is 40 mph. The latest trajectory update indicates that Tropical Storm Ophelia has shifted slightly westward and is septected to pass to the east of Richmond between 10:00 PM and 11:00 PM tonightly

#### State Actions

- Emergency Declaration made on September 22 at 1:30 PM
- VEOC Status is Red: Full Activation
- A motor carrier waiver has been authorized by VDOT and Virginia DMV effective September 22 – 24, 2023.
- State assets deployed

September 23.

- Available Swift Water Assets have been identified; assets have either been prepositioned or noted as available statewide.
   HART resources are available
- HART resources are available
- VANG assets have been pre-deployed to Tidewater Region.
- Crisis Track System (statewide) event established and synced with 3 local events (thus far)
   Port of Virginia facilities closed at 4 PM on September 22, and will remain closed on Saturday
- Local Actions
